

**2007 NORTHWEST ARCTIC BOROUGH
LEGISLATIVE PRIORITIES**

OUR MISSION ~

**The Northwest Arctic Borough shall aggressively strive to improve the
quality of life for all our residents.**

1. DMTS

Acquiring the DeLong Mountain Transportation System (DMTS) will assist in building capacity for Northwest Alaska communities. With revenues generated from DMTS, we will be better equipped to provide basic services such as schools, transportation, law enforcement, employment, public safety and healthy communities. Acquiring DMTS will assist in achieving our 2007 priorities.

2. NOATAK SCHOOL

The Northwest Arctic Borough (NAB) fully supports the Northwest Arctic Borough School Districts construction priority list. The Noatak School is number one in our district and number three in the State.

3. PCE

Power Cost Equalization has the capacity to reduce the increasing fuel costs across the Northwest Arctic Borough and across rural Alaska. We are looking at every avenue to reduce the high cost of living for all residents.

4. REVENUE SHARING

State funded Revenue Sharing has been crucial for survival of our local governments. Without these funds, daily functions of our City governments will minimize public services or cease to exist.

5. LAW ENFORCEMENT

The NAB will work towards administration of law enforcement in the region. We will work towards acquisition of funding, administration, training, recruitment and housing for all aspects of law enforcement in the region.

6. FIREFIGHTING

The NAB will acquire funding to provide equipment, facilities and training for all communities to successfully fight fires.

7. KIVALINA SEAWALL

The NAB continues to support the residents of Kivalina for the repair of the existing seawall. Local, State and Federal entities are working together to provide a safe environment for residents of Kivalina until the community is successfully relocated.

**NORTHWEST ARCTIC BOROUGH
RESOLUTION 07-10**
